1. **Discussion and possible action on approving an Event Approval Permit for CERT Training March 2 through April 13, 2020**
   This training will be provided by City of LA Fire Department (LAFD) on seven Mondays from 6:30 PM to 9:00 PM in a Corporate Pointe Building located at 8413 Fallbrook Ave. This event will not require any funds or insurance since it will be hosted by LAFD. Tony B. inquired if we needed an Event Approval Form since the event is hosted by LAFD. Bob B will inquire and look into the matter since the similar question may apply to other events hosted by the WHNC. The event Approval form was approved
