Final MEETING MINUTES

Thursday April 17, 2025 @ 6:30 PM

Chaminade College Preparatory

Condon Center 2nd Floor

1. Chair Saif Mogri called the meeting to order at 6:35 PM and a quorum was established.

Committee members in attendance: Saif Mogri, Faye Barta, Glenn Jennings, Kim Koerber, Brad Vanderhoof and Char Rothstein

2. Comments from the Chair(s): No Comments.
3. Review and Approve Minutes of February 20, 2025.

The minutes were approved as amended.

4. Environment Committee Topics for Future Meetings: No Suggestions.
5. Discussion on Waste and Climate

Saif acknowledged that some of the discussion is similar to the presentation Kim Koerber had made on composting. Waste can have an impact on climate change because the more waste we send to the landfills, it results in the generation of methane, which is a greenhouse gas. The United States produces more waste than a lot of the countries in Europe.

6. Public Comments: Chris Rowe discussed landfills that are impacted by the wildfires. She recommended to have a discussion on SSFL at a future environment committee meeting.
7. Adjourn Meeting: Saif adjourned the meeting at 6:58 PM.
